

SPORTS FIXTURES

Children from St. Mary's Bluecoat recently took part in various East Shropshire Sports Partnership Primary School Tournaments:

KS2 DODGEBALL

"Two teams from KS2 took part in a Dodgeball tournament at Oldbury Wells School. There was some very tough competition with lots of talent in each team we played against. However, both teams from St. Mary's performed to the best of their ability and it really showed! This was evident as one of our teams was placed 2nd in their pool with only the slightest of margins between 1st & 2nd place. All in all, every member of St. Mary's showed resilience, passion and determination throughout the tournament and came out as true sportsmen and women" ...

KS2 SWIMMING GALA

"Leighton, James B, Toby, Isabel, Sophia, Jack G, Lucie & Amber all took part in races at Much Wenlock Leisure Centre. Excellent effort from all the team, with special mention to Amber in Year 4 for coming 3rd in both the Backstroke 25m and Breaststroke 25m.

Overall the team finished 7th" ...

KS1 MULTI-SKILLS

"Two teams from KS1 took part in a Multi-Skills Tournament at St. Leonard's School where all the children learned new sports and skills but, most importantly, had fun! St. Mary's children really showed off their knowledge of sports and their ability in all areas as we stood out in some of the highest scoring points in specific areas. Activities included tri-golf, mini-tennis and numerous other athletic events" ...Mr Owen ☺
