Dear Parents & Carers

AFTER-SCHOOL CLUBS & MOBILE PHONES

We are very pleased we are able to offer pupils the opportunity to attend after-school clubs at St. Mary's and we are delighted that so many children enjoy the variety of clubs that are provided. However, to ensure the continued safety of all our pupils, please can I respectfully request that adults wait for their children in the playground area at the designated finish time for each club as at the end of the normal school day. Children will be dismissed to adults at classroom doors for clubs that take place in classrooms. For sports clubs that take place outside, pupils will be dismissed in the playground where the club has taken place. For clubs held in the school hall e.g., parkour, gymnastics and dodge-ball, please can adults wait in the key stage two playground. Children will be dismissed by club leaders to adults via the library door.

Please can I also take this opportunity to remind you about the use and handling of mobile phones when bringing children to, and collecting children from, school. The school's safeguarding policy, which you can access on the school website, states that "mobile phone technology may not be used anywhere within the nursery and school grounds." Therefore, please can I ask parents and carers to be mindful of this rule and ensure that they do not use mobile phones whilst on the school site.

We are constantly reviewing and evaluating our safeguarding policy to ensure the safety of all our pupils at all times and are confident that you will be supportive of this most important policy.

Thank you, once again, for your co-operation.

Yours sincerely

C Aston
