### PARKING

Could we please remind parents not to block the school entrance when parking. On a number of occasions visitors and staff have not been able to access the visitors' carpark due to parked cars. This entrance is used for emergency vehicles so it is vital that we keep it clear at all times. It is also an offence to park on or opposite zig-zag lines outside of all school entrances.

Parents of school and Hidden Treasures are welcome to use the large car park at the rear of the school to drop off and collect children. Thank you for your support in this matter.
