

HOME LEARNING Class Elm

ONLINE ACTIVITIES**MATHS:**

A selection of maths activities have been set for your child on my maths which your child can access using their usual school login and password <https://www.mymaths.co.uk/primary.html>

Alphablocks is a fun way to learn about letters and sounds.

<https://www.youtube.com/watch?v=JACuywfoLCU>

Numberblocks is a fun way to learn about numbers.

<https://www.youtube.com/channel/UCPlwvN0w4qFSP1FIILB92w>

Daily reading should be recorded in Reading Journals please.

Read all sorts of different books and make it enjoyable. Read to your child as well as asking them to read to you.

Elm class are learning about fires!. They have already done some super work.

At home your child could:

<p>Create a Fire Engine</p>	<p>Draw or sketch a fire fighter and their equipment in 2020 and a fire fighter and their equipment from 1666 in the Great Fire of London (You will need to use the internet to complete this task).</p>	<p>Create your own map of London and draw the big tourist attractions within the map.</p>
<p>Find out some interesting facts about London.</p>	<p>Create a poster to explain why the Fire Brigade is important.</p>	<p>Create a painting to celebrate the beautiful Australian forests and wildlife.</p>
<p>Create a PowerPoint presentation about Firefighters.</p>	<p>Create a shoebox scene depicting the Australian Forests.</p>	<p>Write a short story about an animal surviving the Australian fires.</p>
