

Week 10: Learning Project - The Rainforest

Age Range: EYFS

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Watch Go Jettors: Amazon Rainforest. Can your child tell you where the tree frog was found? What sound did it make? Which rainforest insect steals the picnic? What happens when the tree frogs aren't there to eat the ants?</p>	<p>Monday- Ask your child to find different things around the house/garden. Can they segment each word into sounds i.e. c-u-p (cup), b-e-d (bed) t-ea (tea), ch-air (chair)?</p>
<p>Tuesday- Help your child to look through cookery books for a recipe involving cocoa/chocolate. If you have the ingredients, make the sweet treat!</p>	<p>Tuesday- Think of words to describe the rainforest animals - each word should start with the same letter i.e. mad, munching monkey or large, loving lion.</p>
<p>Wednesday- Ask your child to use pictures from a familiar story book to make up their own story or to retell their favourite story.</p>	<p>Wednesday- Watch this video for phase 2 set one and two letter sounds. Bitesize Phonics</p>
<p>Thursday- Enjoy listening to online stories together including: Slowly, Slowly, Slowly Said the Sloth and The Tiger Who Came To Tea.</p>	<p>Thursday- Play 'I Spy in the Rainforest'. <i>'I spy, with my little eye, something beginning with t'.</i></p>
<p>Friday- Ask your child to read these tricky words: I, no, go, to, the, into. CHALLENGE: Ask your child to find these tricky words in the stories you are reading.</p>	<p>Friday- Play the game Cake Bake. This game helps children to match rhyming words. Username: march20 Password: home</p>
Weekly Writing Tasks	Weekly Maths Tasks- Number Recognition and Counting
<p>Monday- Say or write a list of all the animals you would find in the rainforest. CHALLENGE: Can your child think of an animal for each letter of the alphabet e.g. a=alligator, b=bird.</p>	<p>Monday- Use this tens frame to practise making different amounts. Or, your child can practice making amounts to 10 using different objects from the garden e.g. leaves.</p>
<p>Tuesday- Talk about the rainforest with your child and ask: What can you see? What can you hear? Ask your child to draw a picture of the rainforest.</p>	<p>Tuesday- Practice writing the numerals to 10 and then up to 20 if your child is able. You could do this in chalk in the garden, using felt tips, crayons or anything that will engage your child.</p>
<p>Wednesday- Use this animated letter formation tool to help your child practise letter formation. You can select those they find most challenging.</p>	<p>Wednesday- Play this Ladybird Spots-Counting, Matching and Ordering Game. You can tailor the difficulty to your child's level.</p>
<p>Thursday- Using the story The Tiger Who Came To Tea, draw a picture of the tiger and talk about words that describe him e.g. stripy fur, sharp teeth.</p>	<p>Thursday (theme)- Make a garden trail using arrows made from sticks. Ask your child to follow the trail and identify the direction. This could be done on your walk.</p>
<p>Friday- Ask your child to create a rainforest animal mask then talk about the sounds that different animals make. CHALLENGE: Can they talk about their</p>	<p>Friday- Use a teddy and count forwards and backwards making deliberate mistakes. Can your child spot the mistakes? Mistakes can include omitted</p>

animal? e.g. *I like the monkey. He is cheeky. He jumps in the trees.* Can they copy write a simple sentence?

numbers, repeated numbers or a number in the wrong place. **CHALLENGE:** Ask your child to spot the mistake when the numbers are written down.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the world's rainforests. Learning may focus on the plants, animals and insects that inhabit the rainforest, food that originates there and weather patterns. It could look at plants and animals that can be found in the garden too.

Which Animals Live in the Rainforest?

- Watch this [video](#) about animals in the rainforest. Can your child tell you about some of the animals that live in the rainforest? Can they remember any facts? Can they describe the animals?.
- Ask your child to make their own explorers outfit (e.g. binoculars, sunhat, backpack) and head out to the garden or on your daily walk. What creatures can your child find? Are they similar to any you might see in the rainforest? Take photographs.

Draw a Picture of a Rainforest Animal on the Computer

- Ask your child to draw a picture of a rainforest animal. Can they use computing software to recreate their picture? Try Paint.

Play the Animal Jungle Quiz

- Listen to the clues. Can you match the clue to the correct animal?
- Click [here](#) to create your own jungle. Drag the animals onto the picture. Where do you think the animals should go? Why? i.e. *on the ground, in the trees...*

Make a Collage of a Rainforest Animal

- Use collage to create your own rainforest animal using recycled materials from around the house. Share your finished creation to inspire others on Twitter at [#TheLearningProjects](#).

Make an Animal Home

- **Create an animal home e.g. a bug hotel using things from the garden. Use a plastic tub or cardboard box. Ask your child what the animal will need in the home in order to survive.**

STEM Learning Opportunities #sciencefromhome

Rainforest Materials

- A rainforest has lots of tall trees and grows in warm countries that have a lot of rain. People use the wood from the trees to make paper and furniture. They also take lots of ingredients like sugar and oil to make food. [Here](#) you can find a list of food and ingredients that grow in rainforests.
- What plants can we find in the garden? Can you name the different parts of a plant? Stem, leaves, branches, roots, flower? Try using some of the material found in your garden to make something useful. For example, [a nature paint brush](#).

Additional learning resources parents may wish to engage with

[White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally). [Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
